## THE WATER-BASED POD VAPE

The INNOBAR C1 integrates revolutionary Aquios water-based vaping technology into a closed pod system. Each 2ml pod is designed to last for 600 puffs and the INNOBAR C1 battery provides constant 3.6V output for a consistent vaping experience throughout each charge cycle.

## SPECIFICATION

Name	INNOBAR C1
Device format	Closed pod system
Puffs	600 (per pod)
Charging	USB-C
Battery capacity	450mAh
E-liquid capacity	2ml
Coil	Aquios 1.1Ohm Nichrome mesh coil
Power output	3.6V constant output
Nicotine strength	20mg/ml Aquios water-based e-liquid
