WARNING: THIS PRODUCT IS NOT FOR USE BY CHILDREN AND NON-SMOKERS.

This product is not recommended for use by children and pregnant or lactating women. Please read this manual carefully before you begin to use this product. Keep this manual as it contains important information which you may need again.

POSSIBLE CONTRAINDICATIONS:

Propylene Glycol:

- May produce adverse effects in individuals being treated with disulfiram or metronidazole
- Allergic reactions may occur in individuals with a history of atopy, childhood eczema or rhinitis (hay fever)
- Lactic acidosis may occur when large quantities of propylene glycol are consumed by children, pregnant women or individuals with hepatic or renal failure

Glycerol:

- Chances of dehydration are increased in elderly and already dehydrated individuals
- Caution should be observed in individuals with diabetes, as metabolise glycerol may cause minor hyperglycemia or glycosuria

POSSIBLE ADVERSE EFFECTS:

First-time e-cigarette users may experience irritation of the mouth, a dry throat or a cough. If the symptoms persist for more than 48 hours or become severe, visit a general practitioner and report the incident details as per the guidance provided under 'Reporting adverse effects'. Nicotine withdrawal effects may also occur if using an inadequate strength to satisfy your cravings. These may include irritability, aggression, feeling low, anxiety, restlessness, poor concentration, increased appetite, urges to smoke, disturbed sleep, or the lowering of heart rate.
